Message from the President

Monthly update

Eric Stevens (e_stevens@cox.net)
ARMS President

Happy New Year and belated Merry Christmas. I apologize for the canceling of December's meeting; however the restaurant was booked completely for a party the same night as our meeting. We still need to get enough people to the meeting to hold elections, which have carried over from November.

The seasons finally seem to have changed. Thanksgiving ushered in a temperature change which changed the wearing of shorts to the wearing of jackets. We have had some really good turn out the last few weekends, makes the airplane guys jealous and shows we are a very active segment. It's cool now so some of you are running out of excuses.

March will be here soon and with that our annual fun fly. Please plan on attending and helping out. The dates are March 7-9. Looking at the helicopter events schedule, March is getting to be very busy. Birmingham is the weekend after ours and, for the first time, Las Vegas the following weekend rather than in February. We need to make everyone comfortable and want to come back. While on the fun fly subject, any information on area campgrounds would be greatly appreciated as I'm trying to get a list together for the fun fly.

That's going to be it for this month. For those who haven't yet, please remember your annual dues.

Eric
